

*The new way to travel.*

***New full-size Armada***

*New Armada has three rows of seating for up to eight people, a large overhead console with individual lights and air vents, and an awesomely advanced 340-hp 5.6-L V8 engine. Like all First Class cabins, Armada also gives you more space to stretch out thanks to class-leading legroom. All the more reason to get on board Nissan's first full-size SUV.*

***New full-size Armada***

*New Armada is more like a jet than a car. It comes with three rows of seating for up to eight people, a large overhead console with individual lights and air vents, and an extraordinary 340-hp 5.6-L V8 engine. There's more space to stretch out thanks to class-leading passenger legroom, and an automated tailgate that takes care of your luggage with ease. It's like having your own private plane, every day of the week.*
